

Job Opportunity – Summer Students

Multiple Locations

Northern Waterworks Inc. provides premium water/wastewater operations to Municipal, First Nation, and corporate clients. We are a high growth company expanding rapidly throughout Ontario, now with divisions in Northwestern Ontario and Northeastern Ontario.

The **Summer Student – Yard & Facility Maintenance** will assist Northern Waterworks Incorporated (NWI) Operators by completing yard maintenance, painting, and other property and building maintenance tasks.

Position: Summer Student – Yard & Facility Maintenance (Canada Summer Jobs)

Location: Multiple positions available in various locations

- Two positions in **Red Lake**
- One position in **Atikokan**
- One position in **Sioux Lookout**
- One position in **Ignace**
- One position in **Marathon**

Temporary Full Time: 40-hour work week, Anticipated Term: 8–16 weeks, depending on availability

Hourly Wage: \$18.00

Prerequisites

- These positions are funded through the Canada Summer Jobs program. Applicants must meet program eligibility requirements:
 - Age: 15 to 30 years (inclusive) at the start of employment.
 - Must have Canadian citizen or permanent resident status in Canada.
- Must hold a valid G Ontario Driver's Licence, with a clean driver's abstract.
- Experience with yard care, painting, maintenance, or similar work is considered an asset.

Responsibilities

- Perform routine yard maintenance including grass cutting, trimming, raking, sweeping, litter pick-up, and basic landscaping.
- Assist with painting and surface preparation (scraping, sanding, cleaning, masking) for fences, railings, doors, and other plant/site infrastructure as directed.
- Support general housekeeping and cleanliness of site buildings, grounds, tools, and work areas.
- Use and maintain basic hand and power tools safely (training provided where required).
- Assist with light labour tasks such as moving materials, organizing storage areas, and setting up/cleaning up job sites.
- Follow all health and safety procedures and legislation, immediately reporting hazards, incidents, or equipment issues to the Municipal Manager.
- Complete other yard and building maintenance tasks as assigned

Attributes

- Ability to work safely and follow instructions, including use of personal protective equipment (PPE).
- Comfort working outdoors in all weather conditions and performing physically demanding tasks (lifting, bending, walking, repetitive movements).
- Basic knowledge of yard tools/equipment (e.g., lawnmower, trimmer) is an asset; willingness to learn is required.
- Attention to detail and pride in maintaining a clean, safe, and professional-looking site.
- Dependable attendance and punctuality.
- Ability to work independently and as part of a team.

Working Conditions

- Lifting and carrying (materials, tools, equipment)
- Walking/standing for extended periods
- Bending, reaching, and repetitive movements
- Working outdoors in various weather conditions
- Exposure to noise, dust, and odours typical of yard and facility work (PPE provided as required)
- Environmental Conditions: Work is performed both indoors and outdoors at/around a water treatment and wastewater facilities.

We are an equal opportunity employer.

Resumes stating qualifications and work experience related to the selection criteria shall be submitted to Human Resources via email to hr@nwi.ca quoting the position noted above.
