Municipal Manager, Atikokan Operations

Northern Waterworks Inc. provides premium Water/Wastewater services to Municipal, First Nation, and corporate clients. We are a high growth company expanding rapidly with divisions across Ontario.

The Municipal Manager, Atikokan Operations, is responsible for managing a team of professionals delivering industry leading services to the Municipality of Atikokan. As the Municipal Manager, your team delivers world class water & wastewater services and works closely with the municipal client in the management of these system(s) in order to ensure that residents have safe, clean water, in accordance with Federal, Provincial, and Municipal legislation, policies, and standards.

Location: Atikokan

About Atikokan: Atikokan, Ontario, is often referred to as the "Canoeing Capital of Canada" and is a gateway to Quetico Provincial Park. The town's economy is diverse, with a growing workforce and business opportunities in sectors like mining, energy development, and tourism. Atikokan's community is vibrant, with a strong sense of inclusion and a commitment to sustainable development. The town's natural beauty, outdoor activities, and friendly community make it an attractive place to live. With affordable housing, lower cost of living and its proximity to larger centres, Atikokan is a treasure in Northwestern Ontario. Overall, Atikokan offers a unique blend of natural beauty, community spirit, and economic opportunities, making it a great place to live.
